It is time to gather and regroup for another year of rhododendron activities. Come enjoy friends, fellowship, food and a chance to practice the art of starting plants from cuttings. Come join the fun.

10:00—Cutting Party

Bring cuttings in plastic bags with the name written on the bag. They should be damp. You can put a damp paper towel in the bag.

Bring clippers, extra bags and 3” or smaller pots for your cuttings. A six pack works well. The planting medium will be provided by the chapter.

Noon—Potluck

Bring a dish to share, your own place setting and beverage of choice.

RSVP

As a courtesy to those planning the Cutting Party, please RSVP to Marjene MacIntyre, marjenem@frontier.com or 541-347-7269
