It is time to gather and regroup for another year of rhododendron activities. Come enjoy friends, fellowship, food and a chance to learn all about rhododendrons, other plants, take a trip to Sikkim or learn how to prepare your plants for plant shows. Our first meeting of the new year will be October 21, at 1 p.m. at our usual meeting place at the North Bend Housing Authority. We will be welcoming Robert Herald, who will be speaking to us about fall-blooming camellias. More details will be included in the October newsletter you will receive in early October.

This is a new meeting time and we hope it will be more convenient and much safer driving rather than holding our meetings at night when our weather can be far less than fun to drive in in the dark!

Many thanks to Tom and Liz Hultin for hosting the Annual Cutting Party, good turnout, lots of great food and cuttings galore!

Southwestern Chapter members at Tom and Liz Hultin's, seriously intent on cuttings and techniques.
